

How do we ensure the school is not narrowing the curriculum?

# Our Vision

## Vision and Values

### Our Vision and Values

We believe that every child should have the opportunity to thrive and be future ready through a curriculum which is inspiring, diverse and challenging. Our curriculum not only aims to provide children with the skills and knowledge that they need now but also the ability to be:

In an ever changing world, we strive to prepare our children to be confident, adaptable and driven member of the community.

We are a school that:

- puts children and learning at the heart of everything we do.
- creates learning opportunities which build skills for life and encourage curiosity and exploration.
- delivers an inclusive and captivating curriculum which provides a range of opportunities in which to participate and excel within and beyond the school day.
- has culture that enthuses and empowers everyone to take responsibility and extend their own learning.
- is a listening school where children and adults know their views are valued, respected and acted upon.
- provides a warm, positive, safe environment where we value effort, recognise success and celebrate achievement at all levels.

# Planning and delivering the curriculum

Year B

	Aut1	Aut2	Sp1	Sp2	Sum1	Sum2

Historical Association  
The voice for history

## Teaching expertise

Specialist teachers expertly deliver PE and Music to all pupils, weekly. A specialist languages teacher is currently also developing and teaching Spanish across KS2.

## Enrichment of the wider curriculum

Trips, events and visitors are carefully planned to enhance learning across the curriculum, in all subjects.

# Special Events and Curriculum Weeks

## The L-Factor

Holding special events, hosting visitors and celebrating 'curriculum weeks' provide children with further, wider experiences in order to develop skills and promote confidence and resilience...

## Healthy Eating Week

## Mascots

## Police Cadets

Breaking world records

Special visitors

Singing at community events

Enterprise Week

School Games

Residential: Arthog and Kingswood

## Our school environment

Our school environment and the way in which staff use it promotes:

- Social and emotional wellbeing
- Outdoor learning
- Forest school
- Positive mental health
- Cross-curricular learning, e.g. Science and Geography

All classes use these spaces throughout the week and it also provides a stimulating environment for extra-curricular groups and clubs.

## Our school environment

Our indoor environment also celebrates and promotes success in the wider curriculum...

# Engaging with our community

We are currently working to forge links with our local and wider community, so that children have an even wider and meaningful offer from our curriculum.

- Active Drayton Project
- Social farm: working with vulnerable people in the community (funded by the High Sheriff)
- Links with parents and Grove School
- Joint projects across the Primary Schools in the MMAT
