

Dear Parents and Carers,

Welcome back. It has felt so heart warming to welcome visitors into school once again and to be able to offer activities to enrich the curriculum for the children even further. This week, each class in KS2 rocked out with Rocktopus in an hour's workshop. The visitors were very impressed with the children for their musicality, dance skills and behaviour. It is great when the children get that kind of feedback as they visit many schools throughout the year.

Rocktopus want to return to work with all classes to produce rock songs to promote our school expectations, 'Be Ready, Be Respectful, Bee Safe.'

As part of our Equality, Diversity, Inclusion and Belonging (EDIB) curriculum we plan to focus on the work of female artists from different cultures. Each class will study the work of one of our chosen artists and there will be an open event to come and view the children's work on April 1<sup>st</sup> 2pm until 3pm. All parents and carers welcome. Details to follow.

## What's been happening this week?

### Archery Visit

We were delighted to welcome Archery GB ambassador Max Oakley to our KS2 assembly on Thursday this week. The children were enthralled by the different types of bows he uses and hopefully he inspired pupils to believe that they too can aspire to want to play a sport or take up a hobby. We will be keeping an eye on this young rising star.

### Rocktopus Workshops

Yesterday the children had a fantastic time working with Rocktopus. Pupils from Year 2 all the way to Year 6 took part in workshops where they composed the lyrics and moves, and the musicians help them put it to music.
