

Talking Heads

Friday 18th March 2022

Dear Parents and Carers,

This week I had a wonderful conversation with some of our Year 5 pupils. They were talking about their school in preparation for being interviewed by a videographer who we have commissioned to make a promotional video about Longlands. They spoke so positively about many things including how much they loved coming to school as lessons are fun, that the teachers are fun but fair, they listen to our points of view because they care about us, they support us with our mental health and wellbeing and help us to be active citizens. It is great to hear their views as these are many of the things that we have been working on with the children over the year.

Look out for our promotional video that will be released on the website and FB shortly. A big thank you to Emily, Logan, Tess, Dean and Nick in Year 5 for being confident in front of the camera and speaking so eloquently about your school. Budding little reporters!

What's been happening this week?

is it BULLYING?

When someone says or does something *unintentionally* hurtful and they do it once, that's **RUDE**.

When someone says or does something *intentionally* hurtful and they do it once, that's **MEAN**.

When someone says or does something *intentionally* hurtful and they *keep doing it*—even when you tell them to stop or show them that you're upset—that's **BULLYING**.

Congratulations all the children who represented our school so well at the Trust Primary Varsity competition

They brought home the cup for winning the archery tournament.

We expect everyone in our school and community to:

Bee Ready

Bee Respectful

Bee Safe

In assembly this week we have been exploring our Bee Safe expectation and what it looks like in practice. The children shared their ideas and talked about what bullying is and what it is not. We discussed the 'See Something, Say Something' motto and that if we see something happening it is important, we tell an adult.
