

Talking Heads

Friday 8th April 2022

Dear Parents and Carers,

What a crazy, fun packed week we have had, from the school, being overtaken by 'bees' on Bee Day to children making shapes at the silent disco. We had a wonderful response to our Art Open Afternoon. It was lovely to see the children eager to show parents their artwork and sketch books. It was obvious from watching you all that the children are very proud of what they have achieved and were able to talk about their learning and the artist they have studied. The art displays around school look fantastic and illustrate that we have some very talented students here at Longlands.

Thank you for supporting the school with the Easter Bingo. We had a very successful evening and along with the sale of the Easter Bags, we managed to raise approximately £800 which will go towards enriching the curriculum for the pupils and helping to fund buses so that we can still offer exciting trips and visits.

We are holding a Farm Day here at Longlands on Saturday 30th of April from 11am – 1pm, as it is National Farm Day that day. We are so unique in that we can offer this experience to our children and the community. Please come along and support us. All monies raised will go towards maintaining the farm and caring for our animals. Please visit the website for more information and do bring along your friends. Click [here](#) for the website.

We hope you all have a Happy Easter and enjoy time with your families. See you all back at school on Monday 25th April.
