

Dear Parents and Carers,

It was lovely to see so many parents at Parents Evening and children taking and enthusing about their work with parents. If you did not manage to make the evenings, your child's class teacher will be happy to make another appointment in person or via phone at a mutually convenient time.

Your views are important to us. Thank you all for completing the Parental Involvement questionnaire, we will analyse and publish the results next week and plan to act on utilise your ideas and comments going forward.

The dates list for parents will be out today via email and on the website. Please add the dates to your calendars and diaries as there is a fun packed summer term coming up.

Carolyn Lawrence from the Methodist church visited school on Thursday to do a lovely assembly about how we are all important and we can achieve if we believe in ourselves. Volunteers were invited to dress up as a people with different occupations to discuss their role in the community and why they were important.

Congratulations to Maisie Y3, Jake Y4, Eva Y5 and Imogen Y6
YOU SMASHED IT

Our netball team played Whittingham last night and won all three matches. Maisie in Y6 was on fire as Goal Shooter (not her usual position). The headteacher of the school praised the team for their polite and excellent behaviour. Brilliant ambassadors for our school. **Well done** to the whole team.

On Saturday we welcomed families and visitors to our Farm Day event. We have never seen so many people on the playground and field. The event was so well attended. Both the Mayor and Helen Morgan MP were in attendance, and both commented on how there was a wonderful atmosphere and buzz about the school. We raised approximately £700 which will go along way to feeding and keeping our animals in bedding. Thankyou to all the wonderful staff who gave up their time and weekend to organise and man the vent.
