

Dear Parents and Carers,

It is hard to believe that we have reached the last half term of the year already and this will be a busy half term with the usual end of year events so look out for these dates.

Over the last month, our Year 2 children have completed the Key Stage 1 national curriculum assessments, often referred to as SATs tests. I would like to congratulate Year 2 on their attitude throughout these assessments as they have been really positive and had a wonderful attitude and we are really proud of them all. I would also like to thank staff, Mrs Hounsell, Miss Duce and Mrs Mazan, who have worked closely with the children and have looked after and prepared the children so well before the tests.

This week's newsletter is a short one as I would like to share the new school and curriculum vision (see below) that all of the staff, children and parents/carers have had input into. Thank you for your part in this. As I said in a previous newsletter, your responses to what you want for the children and what we already offer were so positive and it is wonderful to hear these messages as a reminder of the fantastic community we have in and around Longlands and the recognition of all of the hard work by the dedicated staff here.

Lisa Millington
Headteacher

LONGLANDS PRIMARY SCHOOL AND NURSERY

OUR VISION

Vision

In an ever-changing world, we strive to develop well-rounded, confident and responsible individuals who aspire to achieve their full potential for themselves and for their community.

Curriculum

We believe that every child should have the opportunity to thrive and be future ready through a curriculum which is inspiring, diverse and challenging.

Our curriculum not only aims to provide children with the skills and knowledge that they need now, but also the ability to be:

- ✓ RESILIENT
- ✓ RECIPROCAL
- ✓ RESOURCEFUL
- ✓ REFLECTIVE

We are a school that:

- puts children and learning at the heart of everything we do.
- creates learning opportunities which build skills for life and encourage curiosity and exploration.
- delivers an inclusive and captivating curriculum which provides a range of opportunities in which to participate and excel within and beyond the school day.
- has a culture that enthuses and empowers everyone to take responsibility and extend their own learning.
- is a listening school where children and adults know their views are valued, respected and acted upon.
- provides a warm, positive, safe environments where we value effort, recognise success and celebrate achievement at all levels.

CELEBRATION

Happy Birthday to:

Skyla-Mae	Rowan	Alexandru	Elm
Emmy	Fir	Mia	Rowan

UPCOMING EVENTS
